GOLDCABANA
ALUMINIUM CABANA SYSTEMS

Bliss in Your Garden

GoldCabana enhances outdoor living with its refined, modern, and compact design, bringing elegance and comfort to any setting.

Its fully demountable structure allows you to reposition it whenever you wish. Whether by the pool, on the terrace, or in front of your balcony, ***GoldCabana*** can be moved and reassembled with ease. Even in the event of relocation, it is practical enough to take with you.

With its maintenance-free design, lightweight structure, and attractive price advantage, ***GoldCabana*** is both user-friendly and budget-conscious.

Its sophisticated appearance is shaped by the natural elegance of aluminum; despite its premium look, it remains highly accessible and cost-effective.

Wherever it is placed, ***GoldCabana*** adds grace, aesthetic value, and a radiant sense of refinement, becoming a true highlight of your outdoor living sp

Wood-Textured Aluminum CABANA

GoldCabana blends the natural warmth of wood with the enduring durability of aluminum to deliver long-lasting, elegant solutions for outdoor environments.

Through advanced film coating technology, fading, peeling, and corrosion are eliminated, resulting in an appearance remarkably close to real wood.

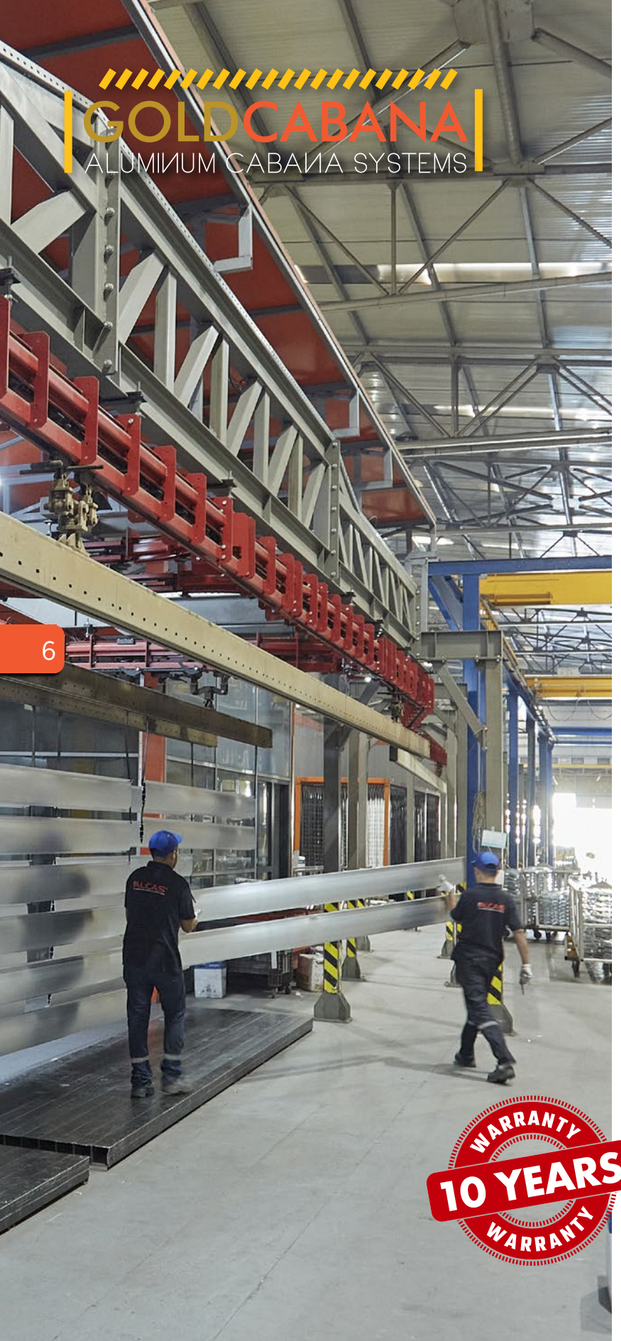

Its maintenance-free structure and strong resistance to ultraviolet rays and harsh weather conditions allow it to preserve its form for many years.

Lightweight yet strong aluminum profiles, combined with a modular design, ensure rapid installation and excellent load-bearing performance.

With a wide range of wood-grain options, ***GoldCabana*** brings a modern, refined, and natural aesthetic to architectural projects.

It is a durable, aesthetic, and premium solution that adds long-lasting value to any outdoor living area.

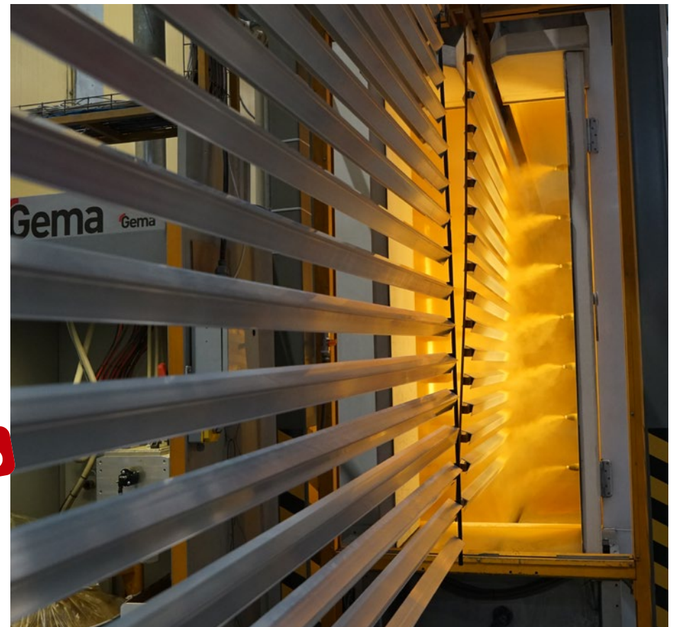

Long-lasting Protection

AAMA 2604 Super Durable Sublamation Base Coatings

GoldCabana is coated with a unique AAMA 2604 (Class 2) electrostatic primer at the Alcas Surface Treatment Facility, our in-house, state-of-the-art painting line.

This premium primer is applied using premium Akzo Nobel and Jotun coatings, fully compliant with Qualicoat standards, providing a flawless base for the wood profiles.

Backed by a 10-year warranty, the coating ensures enduring protection against sunlight, rain, snow, and wind, keeping your Lounge looking beautiful for years.

Wood Grain Effect Color Chart

*Son renk seçiminizi yaparken, ekranda veya basılı materyallerde görünen renkleri esas almayınız. Gerçek renk ve doku seçimi, uygulayıcının proje için kullanacağı aynı araçlar, teknikler ve malzemelerle ürettiği numune üzerinden yapılmalıdır.

Wood Grain Effect Colors

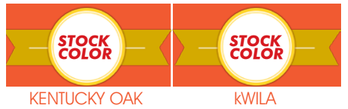

GoldCabana profiles are finished with a high-quality wood-effect film applied over the durable AAMA 2604 (Class 2) base coating at our in-house Alcas Surface Treatment Facility.

Using premium Italian-made film rolls engineered to withstand all climate conditions, this process ensures lasting beauty and durability, backed by a 10-year warranty.

Ready to Assemble Ready to Enjoy

Easy Installation with One Drill and Two People

With its modular structure, simple installation, thick aluminum profiles, and reinforced connection elements, ***GoldCabana*** transforms into a robust and long-lasting outdoor lounge system.

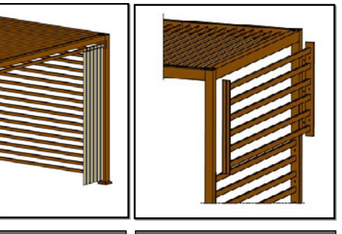

It can be moved around your garden repeatedly without the need for disassembly, maintaining its form for years without deformation, offering durability far beyond low-cost alternatives.

You may choose the ready-to-assemble kit or purchase profile lengths tailored to your measurements and build your ***GoldCabana*** easily with only two people.

Follow the step-by-step process in our assembly animation video on YouTube.
