# Relax in Peace Free From Chaos

***GoldLounge*** is a unique lounge room crafted from wood-patterned aluminum profiles, blending refined elegance with lasting functionality.

With fully closable curtains, it can easily transform into a private retreat whenever needed, providing both privacy and protection from the sun.

The fixed aluminum sunshades positioned on the roof and head section create a comfortably shaded area, while the remaining sides can be equipped with optional curtains or left open for a more spacious and airy design.

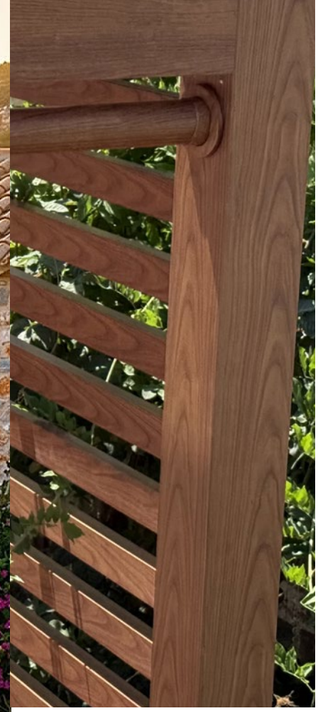

Cushions are made with waterproof, Belgian-made fabric and filled with 22-density foam, delivering exceptional comfort and long-lasting resilience for every season.

# The Warmth of Wood Meets the Strength of Aluminum

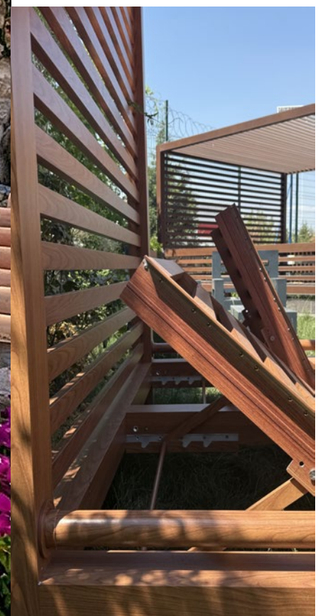

***GoldLounge*** is a distinctive lounge room designed to be admired and enjoyed for years.

It shields you from the sun while offering a smart curtain system that ensures privacy whenever desired.

The sunshade curtains are securely attached to both the upper and lower profiles, preventing flapping and movement even in windy conditions.

This thoughtful design offers complete control and effortless usability at all times.

# Unique Look Lasting Elegance

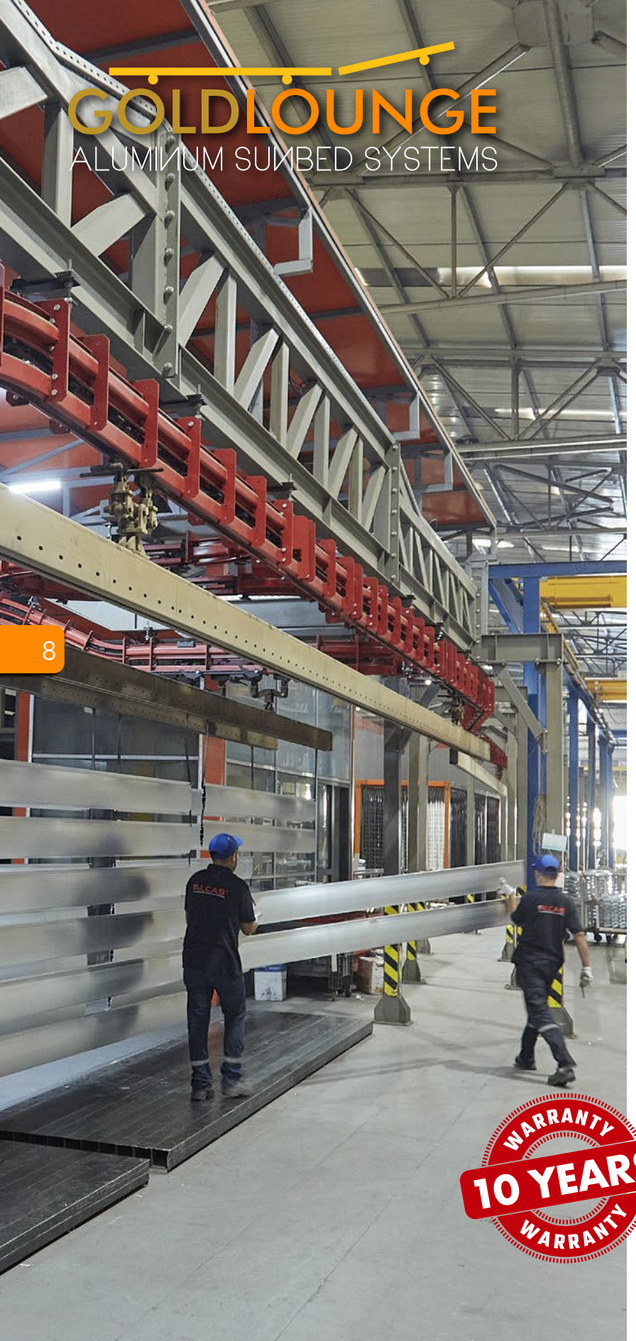

***GoldLounge*** captures the natural beauty of wood while providing the enduring strength of aluminum.

It does not rot, requires no painting or varnishing, and retains its flawless appearance with minimal maintenance.

Each surface is finished with premium Italian wood-effect film coatings that replicate the texture and warmth of natural wood, ensuring a refined and timeless aesthetic that endures through every season.

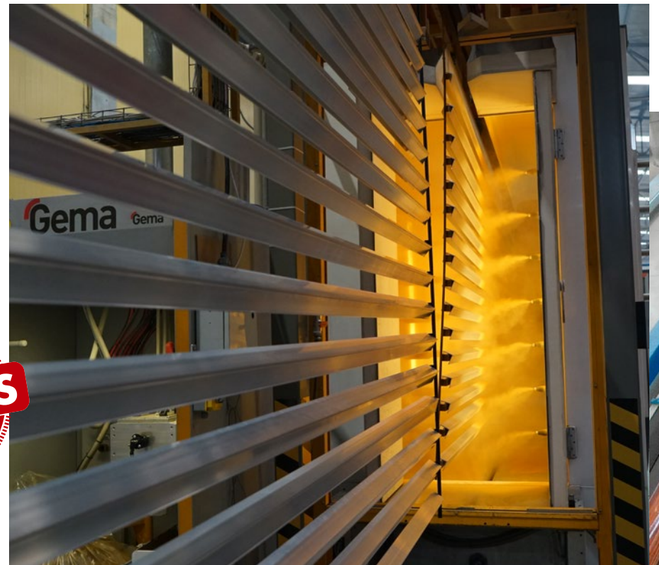

# Long-lasting Protection

## AAMA 2604 Super Durable Sublamation Base Coatings

***GoldLounge*** is coated with a unique AAMA 2604 (Class 2) electrostatic primer at the Alcas Surface Treatment Facility, our in-house, state-of-the-art painting line.

This premium primer is applied using premium Akzo Nobel and Jotun coatings, fully compliant with Qualicoat standards, providing a flawless base for the wood profiles.

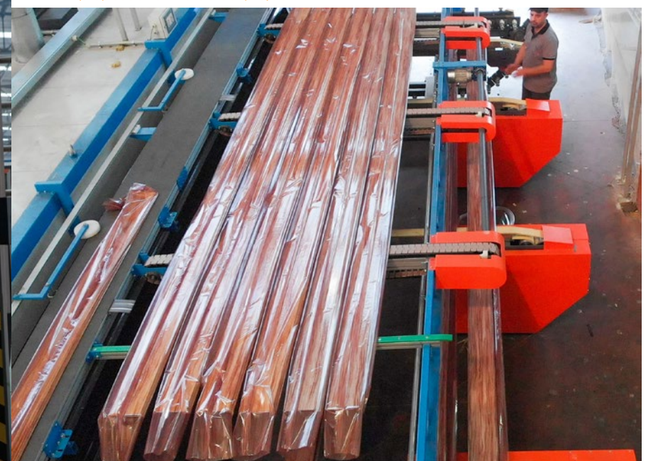

Backed by a 10-year warranty, the coating ensures enduring protection against sunlight, rain, snow, and wind, keeping your Lounge looking beautiful for years.

PLEASE NOTE: Do not use the color representations on your monitor or any print out for final selection. Actual color and texture selection should be made from a sample produced by the applicator using the same tools, techniques and materials proposed for the actual project.

# Wood Grain Effect Colors

***GoldLounge*** profiles are finished with a high-quality wood-effect film applied over the durable AAMA 2604 (Class 2) base coating at our in-house Alcas Surface Treatment Facility.

Using premium Italian-made film rolls engineered to withstand all climate conditions, this process ensures lasting beauty and durability, backed by a 10-year warranty.
